

## Combinations

### Pump and Cylinder Sets

Each set includes:

- 1/4" ID 6 foot Hydraulic Hose
- 3/8" High Flow Male Coupler
- Adapter (SP3 Models Only)
- 2 1/2" Face Diameter Wet Gauge

| Single Acting Cylinder Type                                                                                     | Cylinder       |              |             |                       | Hand Pump P350                                                                    | Hand Pump P1000                                                                    | Hand Pump P2301                                                                     | Air Pump PA1500                                                                     |

◀ We see here our combo kit SA15-3002L getting set up to lift a load. This combo kit includes a HL3002 cylinder, PA1500 air pump, CS3814 hose/CH38M coupler set, CF3814 gauge adapter and a GW2514 pressure gauge.

## Combinations

### Pump and Cylinder Sets

| Single Acting Cylinder Type                                                                                  | Cylinder       |            |             |                       | Hand Pump P350                                                                     | Hand Pump P1000                                                                     | Hand Pump P2301                                                                     | Air Pump PA1500                                                                     |
